

Registration & Services Agreement

Thank you for contacting the Math Development Center. We take pride in becoming role models for our students as we address the importance of academic improvement, self-discipline, time management, organizational skills, and concentration. Our goal is to help students realize their full math potential, improve confidence, and prepare to take a leading position in the classroom.

Math Development Center, LLC. agrees to provide the parent or guarantor's child (student) ACT Math prep programs at the rates of:

_____ \$880 - ACT *Essential Math Skills* Program (10hrs of live instruction)

_____ \$880 - ACT *Advanced Math Immersion* Program (10hrs of live instruction)

_____ \$1480 - ACT *Essential Math Skills & Advanced Math Immersion* Programs (18hrs of live instruction)

Agreement Terms

PAYMENT: Payment indicated above is required to be paid in full at time of program enrollment. Cash, check, and credit/debit card are accepted. Once the student has attended the first ACT session, the payment for the program(s) indicated above is considered fully earned and non-refundable.

CANCELLATION: Cancellations are allowed by phone 612.442.2448 OR via email info@mnmath.com at least 24 hours before the first session starts, and a full refund will be given. **If cancellation notice was not given at least 24 hours before the start of the first session, the payment indicated above is considered fully earned and non-refundable.** If the teacher had to cancel a session for any reason, the session will be rescheduled to another date. Clients will be reimbursed within five business days by a check through mail or if there was card payment, payment will be credited back to the original card.

ABSENTEE: Students are encouraged to make it to every class offered. However, we understand illnesses and emergencies may arise. If a student misses a class or classes, then they would be able to attend the missed class or classes during the next ACT training free of charge (typically, the next ACT training starts three weeks after the last session ended). Missed classes are not refundable.

ARRIVAL: Students are expected to arrive 15 minutes prior to each session. Adjustment to fees will not be made for time lost because of late arrival by the student or by early termination of a session by the student.

DISCLOSURE: The Math Development Center does not make any guarantees regarding student's math or ACT test score improvements. Improvement is dependent on the student's ability/readiness.

By signing below, parent or guarantor of the student reads, understands, and agrees to abide by the terms stated above including but not limiting to the cancellation and absentee terms:
